

Ares Capital Corporation
Letter to Stockholders on the
Tax Status of 2009 Distributions

The information on dividends paid by Ares Capital Corporation (“Ares Capital” or the “Company”) (CUSIP Number: 04010L103) for 2009 is set forth below. For tax purposes, the Company is a regulated investment company (“RIC”) and is designating the types of distributions you received as a stockholder for 2009 in accordance with Subchapter M of the Internal Revenue Code of 1986, as amended (“IRC”), in the following manner:

- **Ordinary Income Dividends:** These dividends are from the Company’s ordinary net investment income and net short-term capital gains for the year. This type of dividend is to be reported on your tax return as ordinary income. Ordinary dividend distributions from a RIC do not qualify for the 15% tax rate on dividend income from domestic corporations and qualified foreign corporations except to the extent that the RIC received the income in the form of qualifying dividends from domestic corporations and qualified foreign corporations.

Total ordinary income distributions are reported on your Form 1099-DIV in Box 1a. The portion of the dividends reported in Box 1a that qualify for the 15% tax rate are reported on your Form 1099-DIV, Box 1b.

Please note that if you acquired or disposed of your Ares Capital Corporation shares during 2009, qualified dividends reported in Box 1b of your 2009 Form 1099-DIV may not be eligible for the 15% tax rate. Shareholders should consult their tax advisor for tax guidance.

- **Non-dividend Distributions:** Non-dividend distributions arise from distributions made in excess of earnings and profits of the Company during the year. This type of distribution is to be reported on your tax return as a return of capital to the extent of your basis in the stock. Any excess would be treated as a capital gain. Shareholders should consult their tax advisor for tax guidance.

Total non-dividend distributions are reported on your Form 1099-DIV in Box 3

Distributions that were reinvested through the Company’s Dividend Reinvestment Plan are treated, for tax purposes, as if they had been paid in cash. Therefore, stockholders who participated in the Dividend Reinvestment Plan should also refer to the table below for appropriate tax treatment of 2009 dividends.
