PROXY STATEMENT 2019 ANNUAL MEETING OF STOCKHOLDERS

The proxy card that accompanies this proxy statement is being solicited by the board of directors (the "Board") of Ares Capital Corporation, a Maryland corporation (the "Company," "we," "us" or "our"), for use at the Company's 2019 Annual Meeting of Stockholders (the "Annual Meeting") to be held on June 10, 2019 at 2:30 p.m., Atlanta Time, at InterContinental Buckhead Atlanta, 3315 Peachtree Road NE, Atlanta, Georgia 30326, or at any adjournment or postponement thereof. This proxy statement, the Notice of Annual Meeting of Stockholders, the accompanying proxy card and the Company's Annual Report on Form 10-K, which includes audited financial statements for the year ended December 31, 2018, are first being released to the Company's stockholders on or about April 10, 2019.

We encourage you to vote your shares, either by voting in person at the Annual Meeting or by granting a proxy (i.e., authorizing someone to vote your shares). If you properly authorize your proxy and the Company receives it in time for the Annual Meeting, the persons named as proxies will vote the shares registered directly in your name in the manner that you specify. **If no specification is made, the votes entitled to be cast by the holders of such shares will be cast FOR the election of the three director nominees and FOR the ratification of KPMG LLP as the Company's independent registered public accounting firm for the year ending December 31, 2019.**

Any stockholder "of record" (i.e., stockholders holding shares directly in their name) giving a valid proxy for the Annual Meeting may revoke it before it is exercised by giving a later-dated properly executed proxy, by giving notice of revocation to the Company in writing before or at the Annual Meeting or by attending the Annual Meeting and voting in person. However, the mere presence of the stockholder at the Annual Meeting does not revoke the proxy. If your shares are held for your account by a broker, bank or other institution or nominee, you may vote such shares at the Annual Meeting only if you obtain proper written authority from your institution or nominee and present it at the meeting. If your shares are held for your account by a broker, bank or other institution or nominee, to revoke any voting instructions prior to the time the vote is taken at the Annual Meeting, you must contact such broker, bank or other institution or nominee to determine how to revoke your vote in accordance with its policies a sufficient time in advance of the Annual Meeting.

Unless revoked as stated above, the shares of common stock represented by valid proxies will be voted on all matters to be acted upon at the Annual Meeting. With respect to the election of directors, proxies cannot be voted for a greater number of persons than the number of nominees named.

The Board is not aware of any matter to be presented for action at the Annual Meeting other than the matters set forth herein. Should any other matter requiring a vote of stockholders arise, it is the intention of the persons named in the proxy to vote in accordance with their discretion on such matters. Stockholders have no dissenters' or appraisal rights in connection with any of the proposals described herein.

The record date for determination of stockholders entitled to vote at the Annual Meeting is the close of business on April 8, 2019. As of April 8, 2019, there were 426,298,200 shares of the Company's common stock outstanding. Each share of common stock has one vote. The presence, in person or by

proxy, of the holders of shares of common stock of the Company entitled to cast a majority of the votes entitled to be cast shall constitute a quorum for the purposes of the Annual Meeting. If there are not sufficient votes for a quorum or to approve or ratify any of the foregoing proposals at the time of the Annual Meeting, the chairman of the meeting may adjourn the Annual Meeting in order to permit further solicitation of proxies by the Company.

Abstentions and broker non-votes will be deemed to be present for the purpose of determining a quorum for the Annual Meeting. However, abstentions and broker non-votes are not counted as votes cast. A "broker non-vote" with respect to a matter occurs when a broker, bank or other institution or nominee holding shares on behalf of a beneficial owner has not received voting instructions from the beneficial owner on a particular proposal and does not have, or chooses not to exercise, discretionary authority to vote the shares on such proposals.

You may vote "For" or "Against," or abstain from voting on, Proposal 1 (to elect three directors to serve until the 2022 annual meeting of stockholders and until their successors are duly elected and qualify). The affirmative vote of shares representing at least a majority of all of the votes cast at a meeting at which a quorum is present is required under the Company's Bylaws (as amended, the "Bylaws") to elect each director in Proposal 1 (meaning that the number of votes cast "For" a director must exceed the number of votes cast "Against" such director for him to be elected). For purposes of the vote on Proposal 1, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

You may vote "For" or "Against," or abstain from voting on, Proposal 2 (to ratify the selection of KPMG LLP as the Company's independent registered public accounting firm). The affirmative vote of shares representing at least a majority of all of the votes cast at a meeting at which a quorum is present is required for approval of Proposal 2 (meaning that the number of votes cast "For" the proposal must exceed the number of votes cast "Against" the proposal). For purposes of the vote on Proposal 2, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

The Company will bear the cost of solicitation of proxies in the form accompanying this statement. Proxies will be solicited by mail or by requesting brokers and other custodians, nominees and fiduciaries to forward proxy soliciting material to the beneficial owners of shares of common stock held of record by such brokers, custodians, nominees and fiduciaries, each of whom the Company will reimburse for its expenses in so doing. In addition to the use of mail, directors, officers and regular employees of Ares Capital Management LLC, the Company's investment adviser ("Ares Capital Management" or the "investment adviser"), or Ares Operations LLC, the Company's administrator ("Ares Operations" or the "administrator"), without special compensation therefor, may solicit proxies personally or by telephone, electronic mail, facsimile or other electronic means from stockholders. The address of each of Ares Capital Management and Ares Operations is 2000 Avenue of the Stars, 12th Floor, Los Angeles, California 90067.

The Company has engaged the services of D.F. King & Co., Inc. ("D.F. King") for the purpose of assisting in the solicitation of proxies at an anticipated cost of approximately \$7,500, plus reimbursement of certain expenses and fees for additional services requested. Please note that D.F. King may solicit stockholder proxies by telephone on behalf of the Company. They will not attempt to influence how you vote your shares, but only ask that you take the time to authorize your proxy. You may also be asked if you would like to authorize your proxy over the telephone and to have your voting instructions transmitted to the Company's proxy tabulation firm.

PROPOSAL 1: ELECTION OF DIRECTORS

Under the Company's charter (as amended, the "Charter") and the Bylaws (together with the Charter, the "Charter Documents"), the Company's directors are divided into three classes. Directors are elected for a staggered term of three years each, with a term of office of only one of these three classes of directors expiring each year. Each director will hold office for the term to which he is elected and until his successor is duly elected and qualifies.

The terms of R. Kipp deVeer, Daniel G. Kelly, Jr., and Eric B. Siegel, the Class III directors, will expire at the Annual Meeting, and the nominating and governance committee has recommended, and the Board has nominated, Messrs. deVeer, Kelly, and Siegel to stand for re-election at the Annual Meeting and to hold office until the annual meeting to be held in 2022 and until their successors are duly elected and qualify. Messrs. deVeer, Kelly, and Siegel have agreed to serve as directors if elected and have consented to be named as nominees. The Charter Documents provide that directors shall be elected by the affirmative vote of shares representing at least a majority of all of the votes cast at a meeting at which a quorum is present; provided, that if the number of nominees for director exceeds the number of directors to be elected, directors shall be elected by the affirmative vote of a plurality of all of the votes cast at such meeting. Therefore, the affirmative vote of shares representing at least a majority of shares representing all the votes cast at the meeting is required to elect Messrs. deVeer, Kelly, and Siegel as directors of the Company for the term for which they have been nominated.

A stockholder can vote for or against or abstain from voting with respect to each such nominee. **In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of the nominees named herein. If any nominee should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person as is nominated as a replacement by the nominating and governance committee and by the Board.** The Board has no reason to believe that any nominee will be unable or unwilling to serve.

The Board unanimously recommends that you vote FOR the election of R. Kipp deVeer, Daniel G. Kelly, Jr., and Eric B. Siegel as directors of the Company for the term for which they have been nominated.

Each of the directors has demonstrated high character and integrity, superior credentials and recognition in his or her respective field and the relevant expertise and experience upon which to be able to offer advice and

guidance to the Company's management. Each of the directors also has sufficient time available to devote to the affairs of the Company, is able to work with the other members of the Board and contribute to the success of the Company and can represent the long-term interests of the Company's stockholders as a whole. The directors have been selected such that the Board represents a range of backgrounds and experience. Set forth below is biographical information of each director, including a discussion of such director's particular experience, qualifications, attributes or skills that lead the Company and the Board to conclude, as of the date of this document, that such individual should serve as a director, in light of the Company's business and structure.

Independent Directors

Daniel G. Kelly, Jr., 67, has served as a director of the Company since May 2016 and currently serves on the nominating and governance committee. - (4) The shares of the Company's common stock held by Mr. Bartlett have been pledged as security in connection with a line of credit with a third party financial institution unaffiliated with the Company.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16(a) of the Exchange Act, the Company's directors and executive officers, and any persons holding 10% or more of its common stock, are required to report their beneficial ownership and any changes therein to the Commission and the Company. Specific due dates for those reports have been established and the Company is required to report herein any failure to file such reports by those due dates. Based solely upon a review of Forms 3, 4 and 5 filed by such persons, the Company believes that each of its directors and executive officers and any persons holding 10% or more of its common stock complied with all Section 16(a) filing requirements applicable to them during the fiscal year ended December 31, 2018, with the exception of the purchase by Steve Bartlett of 200 shares on March 26, 2018, which was reported to the Commission on Form 4 on April 2, 2018.

CORPORATE GOVERNANCE

Director Independence

The Board has a majority of directors who are independent under the listing standards of The NASDAQ Global Select Stock Market LLC. The NASDAQ Marketplace Rules provide that a director of a business development company ("BDC") shall be considered to be independent if he or she is not an "interested person" of the Company, as defined in Section 2(a)(19) of the Investment Company Act. Section 2(a)(19) of the Investment Company Act defines an "interested person" to include, among other things, any person who has, or within the last two years had, a material business or professional relationship with the Company or its affiliates.

The Board has determined that the following directors are independent: Ms. Bates and Messrs. Bartlett, Kelly, McKeever and Siegel. Based upon information requested from each such director concerning his or her background, employment and affiliations, the Board has affirmatively determined that none of the independent directors has a material business or professional relationship with the Company or its affiliates, other than in his or her capacity as a member of the Board or any committee thereof.

Organization of the Board of Directors

The Board has established an audit committee, a nominating and governance committee and a co-investment committee. During 2018, the Board held 14 formal meetings, the audit committee held five formal meetings, the nominating and governance committee held three formal meetings and the co-investment committee held 24 formal meetings. The Company encourages, but does not require, the directors to attend the annual meeting of the Company's stockholders in person. Three of nine directors attended last year's annual meeting of stockholders in person. All directors attended at least 75% of the aggregate number of meetings of the Board held during the period for which they were a director and of the respective committees on which they served during 2018.

Board Leadership Structure

The Board monitors and performs an oversight role with respect to the business and affairs of the Company, including with respect to investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of service providers to the Company. Among other things, the Board approves the appointment of the investment adviser, administrator and officers, reviews and monitors the services and activities performed by the investment adviser, administrator and officers and approves the engagement, and reviews the performance of, the Company's independent registered public accounting firm.

Under the Bylaws, the Board may designate a chairman to preside over the meetings of the Board and meetings of the stockholders and to perform such other duties as may be assigned to him by the Board. The Company does not have a fixed policy as to whether the chairman of the Board should be an independent director and believes that its flexibility to select its chairman and reorganize its leadership structure from time to time is in the best interests of the Company and its stockholders.

Presently, Mr. Arougheti and Mr. Rosenthal serve as Co-Chairs of the Board. Mr. Arougheti is an interested director because he is an Executive Vice President of the Company, is a Co-Founder and the Chief Executive Officer and President of Ares, is a member of the Ares Executive Management Committee and serves on the Board of Directors and the Management Committee of Ares. The Company believes that Mr. Arougheti's depth of experience in investment management, leveraged finance and financial services, as well as his intimate knowledge of the Company's business and operations, gives the Board valuable industry-specific knowledge and expertise on these and other matters. Mr. Rosenthal is an interested director because he is a Co-Founder of Ares, Partner of Ares,

is a member of the Ares Executive Management Committee and serves on the Board of Directors and the Management Committee of Ares. The Company believes that Mr. Rosenthal's history with the Company, familiarity with the Ares investment platform and extensive experience in the management of private equity and debt investments qualifies him to serve as Co-Chairman of the Board. Moreover, the Company believes that it is best served through its existing leadership structure with Mr. Arougheti and Mr. Rosenthal as co-chairs of the Board, as Mr. Arougheti and Mr. Rosenthal's relationships with the investment adviser provide an effective bridge between the Board and the investment adviser, thus ensuring an open dialogue between the Board and the investment adviser and that both groups act with a common purpose.

The independent directors have designated a lead independent director whose duties include, among other things, chairing executive sessions of the independent directors, acting as a liaison between the independent directors and the co-chairs of the Board and between the independent directors and officers of the Company and the investment adviser, facilitating communication among the independent directors and the Company's counsel, reviewing and commenting on Board and committee meeting agendas and calling additional meetings of the independent directors as appropriate. In August 2010, the Board designated and appointed Mr. Siegel as the lead independent director and Mr. Siegel has served as lead independent director since that time.

The Company believes that board leadership structures must be evaluated on a case-by-case basis and that its existing board leadership structure is appropriate. However, the Company continually re-examines its corporate governance policies on an ongoing basis to ensure that they continue to meet the Company's needs.

Board's Role in Risk Oversight

The Board performs its risk oversight function and fulfills its risk oversight responsibilities primarily (1) through its three standing committees, which report to the entire Board and are comprised solely of independent directors, and (2) by working with the Company's Chief Compliance Officer to monitor risk in accordance with the Company's compliance policies and procedures.

As described below in more detail under "Audit Committee" and "Nominating and Governance Committee," the audit committee and the nominating and governance committee assist the Board in performing its risk oversight function and fulfilling its risk oversight responsibilities. The audit committee's risk oversight responsibilities include overseeing the Company's accounting and financial reporting processes, assisting the Board in fulfilling the Board's oversight responsibilities relating to the Company's systems of internal controls over financial reporting, audits of the Company's financial statements and disclosure controls and procedures, assisting the Board in determining the fair value of securities that are not publicly traded or for which current market values are not readily available, and discussing with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. The nominating and governance committee's risk oversight responsibilities include developing, reviewing and updating certain policies regarding the nomination of directors, identifying, evaluating and nominating directors to fill vacancies on the Board or to stand for election by the Company's stockholders, reviewing the Company's policies relating to corporate governance, and overseeing the evaluation of the Board and its committees.

The Board also performs its risk oversight function and fulfills its risk oversight responsibilities by working with the Company's Chief Compliance Officer to monitor risk in accordance with the Company's policies and procedures. The Chief Compliance Officer prepares a written report annually discussing the adequacy and effectiveness of the compliance policies and procedures of the Company and certain of its service providers. The Chief Compliance Officer's report, which is reviewed by and discussed with the Board, addresses at a minimum (1) the operation of the compliance policies and

procedures of the Company and certain of its service providers since the last report; (2) any material changes to such policies and procedures since the last report; (3) any recommendations for material changes to such policies and procedures as a result of the Chief Compliance Officer's annual review; and (4) any compliance matter that has occurred since the date of the last report about which the Board would reasonably need to know to oversee the Company's compliance activities and risks. In addition, the Chief Compliance Officer reports to the Board on a quarterly basis with respect to material compliance matters and meets separately in executive session with the independent directors periodically, but in no event less than once each year.

The Company believes that the Board's role in risk oversight is effective and appropriate given the extensive regulation to which it is already subject as a BDC. Specifically, as a BDC the Company must comply with certain regulatory requirements and restrictions that control the levels of risk in its business and operations. For example, the Company's ability to incur indebtedness is limited such that its asset coverage must equal at least 200% (or 150% starting June 21, 2019) immediately after each time it incurs indebtedness, the Company generally has to invest at least 70% of its total assets in "qualifying assets" and, subject to certain exceptions, the Company is subject to restrictions on its ability to engage in transactions with Ares and its affiliates. In addition, the Company has elected to be treated as a regulated investment company ("RIC") under the Internal Revenue Code. As a RIC the Company must, among other things, meet certain source of income and asset diversification requirements.

The Company believes that the extent of the Board's (and its committees') role in risk oversight complements the Board's leadership structure because it allows the Company's independent directors, through the three fully independent Board committees, a lead independent director, executive sessions with each of the Company's Chief Compliance Officer, the Company's independent registered public accounting firm and independent valuation providers, and otherwise, to exercise oversight of risk without any conflict that might discourage critical review.

The Company believes that board roles in risk oversight must be evaluated on a case-by-case basis and that the Board's existing role in risk oversight is appropriate. However, the Board re-examines the manner in which it administers its risk oversight function on an ongoing basis to ensure that it continues to meet the Company's needs.

Audit Committee

The members of the audit committee are Ms. Bates and Messrs. Bartlett and Siegel, each of whom is independent for purposes of the Investment Company Act and The NASDAQ Global Select Market's corporate governance regulations. Ms. Bates currently serves as chairperson of the audit committee.

The role of the audit committee is to assist the Board in fulfilling its oversight responsibilities by (1) overseeing the Company's accounting and financial reporting processes and the audits of the Company's financial statements and internal control over financial reporting and (2) reviewing the financial reports and other financial information provided by the Company to the public. The audit committee is also responsible for approving the Company's independent registered public accounting firm and recommending them to the Board (including a majority of the independent directors) for approval and submission to its stockholders for ratification, reviewing with its independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by its independent registered public accounting firm, reviewing the independence of its independent registered public accounting firm and reviewing the adequacy of its internal controls and procedures.

The audit committee also assists the Board in determining the fair value of debt and equity securities that are not publicly traded or for which current market values are not readily available, and

in connection therewith recommends valuation policies to the Board, considers valuation issues with respect to liquid securities and reviews valuations of illiquid securities proposed by the investment adviser. The audit committee also receives input from independent valuation firms that have been engaged at the direction of the Board to value certain portfolio investments. In addition, the audit committee is responsible for discussing with the Company's officers and management of the investment adviser the Company's major financial risk exposures and the steps that the Company has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. The audit committee also reviews and approves all transactions with related persons of the Company that are brought to the audit committee's attention, including each annual renewal of the Company's investment advisory and management agreement and the Company's administration agreement.

This description of the audit committee's role and responsibilities is summary in nature, is not exhaustive and is qualified in its entirety by reference to the charter of the audit committee, which can be accessed via the Company's website at www.arescapitalcorp.com. The contents of the Company's website are not intended to be incorporated by reference into this proxy statement or in any other report or document it files with the Commission, and any references to the Company's website are intended to be inactive textual references only.

The Board has determined that Ms. Bates is an "audit committee financial expert" within the meaning of the rules of the Commission.

Nominating and Governance Committee

The members of the nominating and governance committee are Messrs. Kelly, McKeever and Siegel, each of whom is independent for purposes of the Investment Company Act and The NASDAQ Global Select Market's corporate governance regulations. Mr. McKeever currently serves as chairman of the nominating and governance committee. The nominating and governance committee is responsible for (1) developing, reviewing and, as appropriate, updating certain policies regarding the nomination of directors and recommending such policies or any changes in such policies to the Board for approval, (2) identifying individuals qualified to become directors, (3) evaluating and recommending to the Board nominees to fill vacancies on the Board or a committee thereof or to stand for election by the stockholders of the Company, (4) reviewing the Company's policies relating to corporate governance and recommending any changes in such policies to the Board, and (5) overseeing the evaluation of the Board (including its leadership structure) and its committees.

Part of the role of the nominating and governance committee is to identify potential nominees based on suggestions from the members of the nominating and governance committee, other members of the Board, the Company's executive officers, management of the investment adviser and the stockholders of the Company and by other means, and to evaluate such persons as a committee. In addition, from time to time, the Board may determine that it requires a director with a particular expertise or qualification and will actively recruit such a candidate.

In considering which persons to nominate as directors for election by stockholders, the Board and the nominating and governance committee consider the diversity of skills, experiences and perspectives of candidates. The nominating and governance committee has adopted certain policies regarding director nominations that provide that the Board shall take into account candidates that represent a range of backgrounds and experience. As required by such policies, qualified candidates for membership on the Board will be considered without regard to race, color, creed, religion, national origin, age, gender, sexual orientation or disability. The nominating and governance committee will review and evaluate each candidate's character, judgment, skills (including financial literacy), background, experience and other qualifications (without regard to whether a nominee has been recommended by the Company's stockholders), as well as the overall size and composition of the

Board, and recommend to the Board for its approval the slate of directors to be nominated for election at the annual meeting of stockholders. In general, the Company seeks a Board that includes a diversity of perspectives and a broad range of experiences and includes individuals that possess backgrounds, skills, expertise and attributes that allow them to function collaboratively and effectively together in their oversight of the Company. The Board and its nominating and governance committee periodically review board composition and the policies with respect thereto and as part of this review, the nominating and governance committee evaluates the effectiveness of its policies, including the provisions with respect to diversity.

In considering possible candidates for election as a director, the nominating and governance committee takes into account, in addition to such other factors as it deems relevant, the desirability of selecting directors who:

- are of high character and integrity;
- are accomplished in their respective fields, with superior credentials and recognition;
- have relevant expertise and experience upon which to be able to offer advice and guidance to the Company's officers and management of the investment adviser and the administrator;
- have sufficient time available to devote to the affairs of the Company;
- are able to work with the other members of the Board and contribute to the success of the Company;
- can represent the long-term interests of the Company's stockholders as a whole; and
- are selected such that the Board represents a range of backgrounds and experience.

The nominating and governance committee also considers all applicable legal and regulatory requirements that govern the composition of the Board.

The nominating and governance committee may consider recommendations for nomination of directors from the Company's stockholders. Nominations made by stockholders must be delivered to or mailed (setting forth the information required by the Bylaws) and received at the Company's principal executive offices not earlier than the 150th day and not later than 5:00 p.m., New York time, on the 120th day prior to the first anniversary of the date on which the Company first mailed its proxy materials for the previous year's annual meeting of stockholders; *provided, however*, that if the date of the annual meeting has changed by more than 30 days from the prior year, the nomination must be received no earlier than the 150th day prior to the date of such annual meeting or later than 5:00 p.m., New York time, on the later of (1) the 120th day prior to the date of such annual meeting, as originally convened, or (2) the 10th day following the day on which public announcement of such meeting date is first made.

In addition to information regarding the nominating stockholder as set forth in the Bylaws, a stockholder's notice shall set forth as to each individual whom the stockholder proposes to nominate for election or reelection as a director:

- the name, age, business address and residence address of such individual;
- the class, series and number of any shares of stock of the Company that are beneficially owned by such individual;
- the date such shares were acquired and the investment intent of such acquisition;
- whether such stockholder believes any such individual is, or is not, an "interested person" of the Company, as defined in the Investment Company Act or is, or is not, "independent" as set forth in the requirements established by The NASDAQ Global Select Market or any other exchange

or automated quotation service on which the Company's securities are listed, and information regarding such individual that is sufficient, in the discretion of the Board or any committee thereof or any authorized officer of the Company, to make either such determination; and

- all other information relating to such individual that is required to be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including such individual's written consent to being named in the proxy statement as a nominee and to serving as a director if elected).

All nominees properly submitted to the Company (or which the nominating and governance committee otherwise elects to consider) will be evaluated and considered by the members of the nominating and governance committee using the same criteria as nominees identified by the nominating and governance committee itself.

This description of the nominating and governance committee's role and responsibilities is summary in nature, is not exhaustive and is qualified in its entirety by reference to the charter of the nominating and governance committee, which can be accessed via the Company's website at www.arescapitalcorp.com. The contents of the Company's website are not intended to be incorporated by reference into this proxy statement or in any other report or document it files with the Commission, and any references to the Company's website are intended to be inactive textual references only.

Compensation Committee

The role of the compensation committee is performed by the audit committee, which is comprised entirely of independent directors for purposes of the NASDAQ corporate governance requirements and rules and regulations of the Commission, including the compensation committee requirements of NASDAQ Marketplace Rule 5605(d) and Rule 5605(a)(2). The Company's executive officers do not receive any direct compensation from the Company. The audit committee charter contains all of the provisions that a compensation committee charter would be required to include under the NASDAQ corporate governance listing requirements and the rules and regulations of the Commission. In addition, pursuant to the audit committee charter, the amounts payable to the investment adviser and the administrator pursuant to the investment advisory and management agreement and administration agreement, respectively, are separately approved by the audit committee. The compensation payable to the investment adviser pursuant to the investment advisory and management agreement is also separately approved by a majority of the independent directors in accordance with Section 15(c) of the Investment Company Act.

The specific responsibilities of the audit committee, including those related to compensation, are set forth in the charter of the audit committee, which can be accessed via the Company's website at www.arescapitalcorp.com. The contents of the Company's website are not intended to be incorporated by reference into this proxy statement or in any other report or document it files with the Commission, and any references to the Company's website are intended to be inactive textual references only.

Co-Investment Committee

The members of the co-investment committee are Ms. Bates and Messrs. Bartlett, Kelly, McKeever and Siegel, each of whom is independent for purposes of the Investment Company Act and The NASDAQ Global Select Market's corporate governance regulations. The co-investment committee is responsible for reviewing and making certain findings in respect of co-investment transactions pursuant to the exemptive order the Company received from the Commission on January 18, 2017.

The Company has adopted a code of conduct that applies to, among others, its officers, including its Chief Executive Officer and its Chief Financial Officer, as well as the members of the Board. The Company's code of conduct can be accessed via the Company's website at www.arescapitalcorp.com. The Company has entered into indemnification agreements with each of its current directors and officers and members of the investment adviser's investment committee and intends to enter into indemnification agreements with each of its future directors and officers and future members of the investment adviser's investment committee. The indemnification agreements attempt to provide these directors, officers and other persons the maximum indemnification permitted under Maryland law and the Investment Company Act. The agreements provide, among other things, for the advancement of expenses and indemnification for liabilities that such person may incur by reason of his or her status as a present or former director or officer or member of the investment adviser's investment committee in any action or proceeding arising out of the performance by such person as a present or former director or officer or member of the investment adviser's investment committee.

In February 2019, Meridian met with the nominating and governance committee to provide

recommendations regarding our Board compensation program for 2019. Following a recommendation from the nominating and governance committee, the Board approved an increase in the annual fees payable to our independent directors for service as members of the Board, effective as of January 1, 2019, taking into account Meridian's recommendations. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company has procedures in place for the review, approval and monitoring of transactions involving the Company and certain persons related to it. For example, the Company has a code of conduct that generally prohibits officers or directors of the Company from engaging in any transaction where there is a conflict between such individual's personal interest and the interests of the Company. Waivers to the code of conduct can generally only be obtained from the Chief Compliance Officer, the co-chairs of the Board or the chairperson of the audit committee and are publicly disclosed as required by applicable law and regulations. In addition, the audit committee is required to review and approve all related-party transactions (as defined in Item 404 of Regulation S-K).

As a BDC, the Company is also subject to certain regulatory requirements that restrict the Company's ability to engage in certain related-party transactions. The Company has separate policies and procedures that have been adopted to ensure that it does not enter into any such prohibited transactions without seeking necessary approvals.

The Company is party to an investment advisory and management agreement with Ares Capital Management, a subsidiary of Ares Management, an entity in which certain directors and officers of the Company and members of the investment committee of the investment adviser may have indirect ownership and pecuniary interests. Certain directors and officers of the Company and members of the investment committee of the investment adviser also serve as officers or principals of other investment managers affiliated with Ares Management that currently, and may in the future, manage investment funds with investment objectives similar to the Company's investment objective. In addition, certain of the Company's officers and directors and the members of the investment committee of the investment adviser serve or may serve as officers, directors or principals of entities that operate in the same or related line of business as the Company or of investment funds managed by the Company's affiliates. Accordingly, the Company may not be made aware of and/or be given the opportunity to participate in certain investments made by investment funds managed by advisers affiliated with Ares Management. However, the investment adviser intends to allocate investment opportunities in a fair and equitable manner in accordance with the investment adviser's investment allocation policy.

In connection with the Company's acquisition of American Capital, Ltd., Ares Capital Management has agreed to waive, for ten calendar quarters ending with the third quarter of 2019, the lesser of (i) \$10 million of income based fees and (ii) the amount of income based fees for such quarter, in each case to the extent earned and payable by the Company in such quarter pursuant to and as calculated under the investment advisory and management agreement.

Pursuant to the terms of the administration agreement between Ares Operations and the Company, Ares Operations, a subsidiary of Ares Management, currently provides the Company with certain administrative and other services necessary to conduct the Company's day-to-day operations, and the Company reimburses Ares Operations, at cost, for the Company's allocable portion of overhead and other expenses (including travel expenses) incurred by Ares Operations in performing its obligations under the administration agreement, including the Company's allocable portion of the compensation, rent and other expenses of certain of its officers (including its chief compliance officer, chief financial officer, chief accounting officer, general counsel, secretary, treasurer and assistant treasurer) and their respective staffs, but not investment professionals.

The Company's portfolio company, Ivy Hill Asset Management, L.P. ("IHAM"), is party to an administration agreement with Ares Operations, pursuant to which Ares Operations provides IHAM with, among other things, office facilities, equipment, clerical, bookkeeping and record keeping services, services relating to the marketing and sale of interests in vehicles managed by IHAM, services of, and oversight of, custodians, depositories, accountants, attorneys, underwriters and such other persons in any other capacity deemed to be necessary. Under the IHAM administration agreement, IHAM reimburses Ares Operations for all of the actual costs associated with such services, including Ares

Operations' allocable portion of the compensation, rent and other expenses of its officers, employees and respective staff in performing its obligations under the IHAM administration agreement.

The Company is party to office leases pursuant to which it is leasing office facilities from third parties. For certain of these office leases, the Company had also entered into separate subleases with Ares Management LLC, the sole member of the investment adviser, and IHAM, pursuant to which Ares Management LLC and IHAM subleased office space from the Company. In October 2018, the Company terminated all of its existing office space subleases with Ares Management LLC and IHAM. The Company then entered into a new sublease solely with Ares Management LLC, whereby Ares Management LLC subleased the full amount of certain of the Company's office leases.

Prior to April 1, 2018, Ares Management LLC was also a party to separate subleases with the Company, pursuant to which the Company subleased certain office leases from Ares Management LLC. These subleases are no longer in place.

The Company has entered into agreements with Ares Management LLC and IHAM, pursuant to which Ares Management LLC and IHAM are entitled to use the Company's proprietary portfolio management software. For the fiscal year ended December 31, 2018, amounts payable by Ares Management LLC and IHAM to the Company under these agreements totaled \$0 million.

The Company has also entered into a license agreement with Ares Management LLC pursuant to which Ares Management LLC has granted the Company a non-exclusive, royalty-free license to use the name "Ares." Under this agreement, the Company will have a right to use the Ares name for so long as Ares Capital Management remains its investment adviser. Other than with respect to this limited license, the Company has no legal right to the "Ares" name.

PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee and the Board, including a majority of the independent directors, have selected KPMG LLP as the independent registered public accounting firm for the Company for the year ending December 31, 2019 and are submitting the selection of KPMG LLP to the stockholders for ratification.

If the stockholders fail to ratify the selection, the audit committee and the Board will reconsider whether or not to continue to retain KPMG LLP. Even if the selection is ratified, the audit committee and the Board may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

KPMG LLP has advised the Company that neither the firm nor any present member or associate of it has any financial interest, direct or indirect, in the Company or its affiliates.

The Company expects that a representative of KPMG LLP will be present at the Annual Meeting, will have an opportunity to make a statement if he or she so chooses and will be available to answer questions.

The Company engaged KPMG LLP to act as its independent registered public accounting firm for 2018.

Audit Related Fees

Audit-related fees are fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements and are not reported under "Audit Fees." These services include audit, attestation and agreed-upon procedures engagements that are not required by statute or regulation, such as agreed-upon procedures related to financial covenant compliance under revolving debt agreements.

Tax fees consist of fees billed for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal, state and international tax compliance, customs and duties, mergers and acquisitions and international tax planning.

The audit committee, or the chairperson of the audit committee to whom such authority was delegated by the audit committee, must pre-approve all services provided by the independent registered public accounting firm. Any such pre-approval by the chairperson must be presented to the audit committee at its next regular quarterly meeting. The audit committee has also adopted policies and procedures for pre-approving certain non-prohibited work performed by the Company's independent registered public accounting firm. Specifically, the committee has pre-approved the use of KPMG LLP for specific types of services within the following categories: permitted audit, audit-related, tax and other. In each case, the committee has also set a specific annual limit, which can be updated, on the amount of such services which the Company may obtain from the Company's independent registered public accounting firm. The audit committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act that might incorporate future filings, including this proxy statement, in whole or in part, the following Report of the Audit Committee shall not be deemed to be "soliciting material" or to be "filed" with the Commission, nor shall such information be incorporated by reference into any such filings under the Securities Act or the Exchange Act.

REPORT OF THE AUDIT COMMITTEE

The role of the audit committee (the "Audit Committee") of the board of directors (the "Board") of Ares Capital Corporation (the "Company") is to assist the Board in fulfilling its oversight responsibilities by (1) overseeing the Company's accounting and financial reporting processes and the audits of the Company's financial statements and internal control over financial reporting and (2) reviewing the financial reports and other financial information provided by the Company to the public. However, it is not the Audit Committee's duty to plan or conduct the audits or to determine that the Company's financial statements are complete, accurate and in accordance with generally accepted accounting principles or that its internal control over financial reporting is effective. The Company's management is responsible for the preparation, presentation and integrity of its financial statements, for its accounting and financial reporting principles and for the establishment and effectiveness of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations.

The independent registered public accounting firm is responsible for performing an independent audit of the Company's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and expressing an opinion as to the conformity of such financial statements with generally accepted accounting principles in the United States of America and for auditing and reporting on the effectiveness of the Company's internal control over financial reporting.

The Audit Committee has reviewed and discussed the Company's audited financial statements, along with management's assessment of the effectiveness of the Company's internal control over financial reporting and the independent registered public accounting firm's evaluation of the Company's internal control over financial reporting, with management and with KPMG LLP, the Company's independent registered public accounting firm for 2018. The Audit Committee has discussed with KPMG LLP the matters required to be discussed by Auditing Standard No. 1301, *Communications with Audit Committees*, as currently in effect. The Audit Committee has received from KPMG LLP the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board Rule 3526, *Communication with Audit Committees Concerning Independence*, regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm its independence.

The Board has determined that each member of the Audit Committee is independent for purposes of the Investment Company Act of 1940, as amended, and The NASDAQ Global Select Market's corporate governance regulations. The Board has also determined that each member is able to read and understand fundamental financial statements, as such qualifications are defined under the rules of The NASDAQ Global Select Market's corporate governance regulations, and that Ms. Bates is an "audit committee financial expert" within the meaning of the rules of the Securities and Exchange Commission.

Based on the review and discussions referred to above, the Audit Committee has recommended to the Board that the audited consolidated financial statements for the year ended December 31, 2018 be included in the Company's Annual Report on Form 10-K for such year for filing with the Commission. In addition, the Audit Committee has approved, and recommended to the Board that it approve, KPMG LLP to serve as the Company's independent registered public accounting firm for the year ending December 31, 2019 and that the selection of KPMG LLP be submitted to the Company's stockholders for ratification.

The Audit Committee

Ann Torre Bates (Chairperson)
Steve Bartlett
Eric B. Siegel

The affirmative vote of shares representing at least a majority of the votes cast at the Annual Meeting is required for ratification of the selection of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2018. The persons named in the accompanying proxy intend to vote proxies received by them for this proposal unless a choice "Against" or "Abstain" is specified.

The Board, based on the approval and recommendation of the audit committee, recommends voting FOR ratification of the selection of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2019.

STOCKHOLDER NOMINATIONS AND PROPOSALS FOR THE 2020 ANNUAL MEETING

The Company expects that the 2020 Annual Meeting of Stockholders will be held in June, 2020, but the exact date, time and location of such meeting have yet to be determined.

Deadlines for Submitting Stockholder Proposals for Inclusion in the Company's Proxy Statement and Proxy Card

To be considered timely under Rule 14a-8(e) of the Exchange Act for inclusion in the Company's proxy statement and proxy card for a regularly scheduled annual meeting, a stockholder's proposal must be received at the Company's principal executive offices not less than 120 calendar days before the anniversary of the date the Company's proxy statement was released to stockholders for the previous year's annual meeting. Accordingly, a stockholder's proposal must be received no later than December 12, 2019 in order to be included in the Company's proxy statement and proxy card for the 2020 Annual Meeting.

Deadlines for Submitting Notice of Stockholder Proposals for Consideration at the Company's Annual Meeting

The deadline for submitting notice of a stockholder's nomination of a candidate for director or other proposal for consideration at the 2020 Annual Meeting, under the Company's current Bylaws, is not earlier than the 150th day prior to the first anniversary of the date of release of the proxy statement for the preceding year's annual meeting nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of release of the proxy statement for the preceding year's annual meeting; *provided, however*, that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the anniversary of the date of the preceding year's annual meeting, notice by the stockholder to be timely must be delivered not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m., Eastern Time, on the later of (1) the 120th day prior to the date of such annual meeting, as originally convened, or (2) the tenth day following the day on which public announcement of the date of such meeting is first made. In order to be considered timely, such notice shall be delivered to the Secretary at the principal executive office of the Company and shall set forth all information required under Section 11 of Article II of the Bylaws.

FINANCIAL STATEMENTS AVAILABLE

A copy of the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2018 containing audited financial statements accompanies this proxy statement. Such financial statements are hereby incorporated herein by reference.

Along with this proxy statement, the Company will provide to each stockholder a copy (without exhibits, unless otherwise requested) of its Annual Report on Form 10-K required to be filed with the Commission for the year ended December 31, 2018. Copies of these documents may also be accessed electronically by means of the Commission's home page on the Internet at <http://www.sec.gov>. Other than the financial statements incorporated by reference above, the Annual Report on Form 10-K is not part of the proxy solicitation materials.

HOUSEHOLDING OF PROXY MATERIALS

The Commission has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year a number of brokers with account holders who are the Company's stockholders will be "householding" the Company's proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. If you have received notice from your broker that it will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. We will promptly deliver a separate copy of these documents to you upon written or oral request to the Company's Investor Relations Department at Ares Capital Corporation, 245 Park Avenue, 44th Floor, New York, New York 10167 or 888-818-5298. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement and annual report, please notify your broker. Stockholders who currently receive multiple copies of the proxy statement and annual report at their addresses and would like to request "householding" of their communications should contact their brokers.
